## **Almost Family, Inc. Set to Join to Russell 2000® Index**

**Louisville, KY** – June 23, 2008 – Almost Family, Inc. (Nasdaq: AFAM) announced today that it is scheduled to be added to the Russell 2000® Index, effective at the close of market on June 27, according to a preliminary list of additions posted on June 13 to [www.russell.com](http://www.russell.com).

William B. Yarmuth, President and CEO of Almost Family, Inc., stated, “We look forward to joining the Russell 2000® Index at the end of June as it will provide greater awareness and visibility of our stock among institutional investors. As a leading regional home health provider, we are well positioned as a consolidating force through the continued execution of our disciplined development strategy.”

The Russell 2000® Index measures the performance of the small-cap segment of the U.S. equity universe. The Russell 2000® Index is a subset of the Russell 3000® Index representing approximately 10% of the total market capitalization of that index. It includes approximately 2000 of the smallest securities based on a combination of their market cap and current index membership. Based on the monthly statistics as of May 31, 2008, the median market capitalization of the Russell 2000® Index was approximately \$541 million.

The Russell 2000® Index is constructed to provide a comprehensive and unbiased small-cap barometer and is completely reconstituted annually to ensure larger stocks do not distort the performance and characteristics of the true small-cap opportunity set.
